What is Recycle Rally?

Recycle Rally is a competition for any K-12 school in Montgomery County. From **September 1st, 2009 to May 1st, 2010**, students, parents, staff and other supporters of your school may bring recyclable materials to **Rumpke Recycling** at **1300 E. Monument** in Dayton. (M-F: 8-5pm; Sat: 8-noon)
Rumpke and Montgomery County Solid Waste District will track the total amount of materials brought on behalf of each school.

How do we store collected recyclables?

The best way to have a successful Recycle Rally is to **not** plan on storing the recyclable items.

Try these tips instead :

- Rotate through a list of delivery parents or community volunteers that will take in the recyclables everyday or every other day.
- Have a neighborhood collection day. Get volunteers/students to pick-up from neighbors on a weekly basis then transport directly to the Rumpke Recycling center.

What can we bring?

Rumpke WILL accept:

- ▶ Paper products (junk mail, office paper, newspaper, cardboard)
- ▶ Aluminum and Tin Cans
- ▶ Scrap Metals (Steel, Brass, Copper, Aluminum- including clean foil)
- ▶ Plastics #1 & #2
- ▶ Glass Bottles

Rumpke CANNOT accept:

- ▶ Magazines
- ▶ Textbooks (no exceptions)
- ▶ **Uncirculated** newspapers
- ▶ Pizza Boxes (could be contaminated)
- ▶ Single items weighing more than 25 lbs.

What if we use another recycling facility?

If your school uses another recycling facility, the recyclables collected by your school **WILL** count towards your final tally for the contest (if the recycler is willing to give us weights).

Be sure to note that you use a secondary facility on the registration form so that we know to contact you for more information.

What if I have other questions?

If you need more information, please feel free to contact **Jennifer Mattingly** by email, mattinglyj@mcoho.org, or phone **937-496-6798**.

How do we get money?

Your school can earn money in two ways:

1. At the end of the competition, Rumpke will present your school with a check for the total value of all the recyclables turned in during the contest period. A list of current values for recyclables can be obtained from Rumpke.
2. Schools who turn in the most recyclables for their category win additional cash prizes*.
1st place receives \$2,000
2nd place receives \$1,000
3rd place receives \$500.

* a minimum of 1,000 pounds must be met in order to qualify for prize money in a division. Schools must spend 1/2 of prize money on items containing recycled content.

How do we participate?

Register your school.

Fill out the attached form and mail or fax it in.

-OR-

You can register online at www.curby.org.

A detailed competition kit will then be sent to your school.

Take your recyclables to Rumpke.

They will track the weight of the materials turned in. **Be sure to let them know it is for your school's rally!**
