

BUY-RECYCLED GRANT PROGRAM 2010/2011

Purpose

The Montgomery County Solid Waste District (MCSWD) established the Buy Recycled Grant Program for the purchase and promotion of recycled content material and to increase participation in MCSWD community and education programs.

Eligibility

The buy-recycled grant funds are available on a competitive basis to all Montgomery County schools and select nonprofits (exclusions may apply). Funding can be used to purchase and promote any type of recycled content material including but not limited to, paper, plastic, steel, aluminum, tires and glass.

Cities, townships and solid waste district members may apply for similar funding through the Incentive Grant Program in February 2011. Applicants that do not receive funding for the Buy Recycled Grant are encouraged to apply for the 2011 Incentive Grant. Applying for the Incentive Grant requires endorsement from the applicant's jurisdiction and participation in a mandatory pre-submission meeting to be held in February 2011.

Funding

The total funding dollars that may be available are \$50,000. Funding for this project is contingent upon approval of the 2011 budget. The 2011 budgeting occurs in late fall of 2010.

Actual awards will vary based upon proposed projects and the total number of applications submitted. **Partial funding of proposals may be offered.** Upon award announcement, funding dollars will be available beginning January of 2011.

Application

Proposals must be submitted by 4:00 PM on October 29th, 2010, which is the end of Recycle, Ohio! Month. Any incomplete applications will not be considered.

To request an application:

- ✓ download on-line at www.mcswd.org
- ✓ e-mail hagansl@mcoho.org

Funding Decisions

A committee of MCSWD staff will select proposals based upon rating criteria scores. Awards will be announced at the end of December.

BUY-RECYCLED GRANT APPLICATION 2010/2011

3. If partial funding were offered, would completion of the project proceed? _____
Describe How

4. Demonstrate the need for this project.

5. Describe how installation will be handled. The grant covers materials only, for installation and/or shipping, organizations must make separate arrangements.

6. One of MCSWD's goals for this buy-recycled program is to provide publicity with the understanding that the items are made out of recycled products and that funding was given by MCSWD. **Posting a sign stating the materials are made from recycled materials is required. If your organization is successful in obtaining this grant, what would you do to publicize your buy recycled purchase and grant award above and beyond a sign?**

7. Indicate how your organization intends to incorporate MCSWD programming.

Part of MCSWD's mission is to increase awareness and participation in our recycling and litter prevention programs among students and the general Montgomery County community. The selected organization must agree to incorporate MCSWD programming into its own programming on a permanent basis and document progress. MCSWD has a variety of school and community programs that make it easy for organizations to make such a commitment. Below are samples of ways to make a commitment to MCSWD programming. For detailed information and more of MCSWD's programs, visit our web site, www.mcswd.org or call Lorelei Hagans at, 224-8086.

Sample Ideas (creativity is encouraged when thinking of commitment ideas):

- Participate yearly, in any of our contests, or educational programs, for example:
 - Recycled Sculpture Contest
 - Poetry Contest
 - Recycle Rally
 - Environmental Calendar Contest
 - Host an Environmental Challenge assembly
- Start and maintain a recycling program at your organization/school.
- Have teachers participate in any of our free workshops.
- Participate annually in the Great American Cleanup.
- Join the Adopt-an-Area program.
